Kuska Doll Collection Shown at PTA Meeting

A rare collection of dolls, with their stories, will be the program at the Wednesday meeting of the Crenshaw PTA to be held at 2:30 p.m. in the school cafeteria. The collection will be shown by Mrs. Nellie Kuska, who with her husband owns and operates the Kuska museum at 24201 Walnut St., Lomita.

Rotary Anns Will Hear About Heart

Members of the local Rotary Anns will hear a talk on "Coronary Heart Diseases" when they meet at 12:30 p.m., Wednesday, Jan. 20, at the Plush House, 1700 S. Pacific Coast Hwy.

Dr. Nielsen is a Diplomate on the American Board of Internal Medicine, a Fellow of the American College of Physicians and Assistant Clinical Professor of Medicine at UCLA School of Medicine. Dr. Nielsen is on the staff of Torrance Memorial and Harbor General hospitals. He is in private practice in Torrance.

Arrangements for the program were made by Mrs. Jack O. Whiting of 1916 Santa Rena Dr., San Pedro. Any group interested in obtaining a speaker and film on topics concerning the heart and blood vessel disorders may contact the Los Angeles County Heart Assn., 16811 Hawthorne Blvd., Lawndale.

and other items from former times and far-off places. It is said to be the largest collection of its kind in the United States, outside of the Smithsonian Institution. On display are more than 20,000 items of antique china, glassware, furniture, dolls, costumes worn by long-dead kings and queens, and a myriad of buttons, books and bottles. Museum visitors will see fine examples of Steuben, Stiegel and cameo glassware or the beautiful coin glass produced with such excellent skill in 1892 that the government forbade its manufacture after five months. A cherished item is the compote made for Katherine the Great in the early 18th century by Sevres, the French maker of porcelain for royalty.

In the Dresden china display is a rare French doll dressed in handmade satin and lace and wearing a necklace of 37 jewels, each containing a reproduction of a famous painting in the Louvre. Another special item is the fourteen-movement mechanical musical doll, over 100 years old, which rated a blue ribbon at a national show.

Mrs. Kuska's love for the rapidly disappearing treasures prompted her to start collections that have reached museum proportions. She not only collected treasures but studied their history and contributions to culture. The museum is open daily from 9 to 6 p.m. and Sunday from noon until 5. There is no charge but donations are accepted to help with the upkeep.

Following her display of the dolls and her descriptions of her wonderful collection at the PTA meeting, refreshments and a social hour will be enjoyed.

Dr. Nielsen To Speak to Medical Unit
